

LIONS CLUBS INTERNATIONAL FOUNDATION (LCIF)

Overzicht Lionsjaar 2022–2023

Beste Lions van District C,

Verschillende jaren dacht ik dat er in de wereld ongeveer 44.000 Lionsclubs waren. Maar het gaat snel: Met rasse schreden naderen we de 50.000! (India blijkt één van de grote uitschieters te zijn)

Als grootste serviceclub ter wereld maken wij samen het verschil. De meeste clubs helpen (*We Serve*) bij tal van lokale projecten, wat mondiaal bijna onvoorstelbaar is.

Gelukkig steunen Lionsclubs (en individuele personen!) ook massaal ons internationale noodfonds “LCIF”, de grote kracht van onze organisatie sinds 1968! We kennen de verschillende gebieden waarop LCIF zich richt, zoals gezondheid, onderwijs, armoede, honger, milieu en (helaas) talrijke natuurrampen. Maar ik ben sterk onder de indruk van de lange lijst subsidies (Engels: ‘grants’) dat ons internationale fonds tijdens het Lionsjaar 2022-2023 heeft uitgekeerd (met controle) aan meer dan 1000 projecten!

Deze nieuwsbrief geeft een overzicht van alle projecten, per focusgebied. (Bij *Natuurrampen* enkel de 2 laatste maanden, dus geen volledig jaar) Veel leesplezier, laat u inspireren, en moedig elkaar aan om zo verder te doen. Ik ben fier!

Samen zijn we Lions.

Met vriendelijke groeten,
Joost Van Biervliet + Jean-Claude Fruit

Move for the Planet

LCIF geeft om het milieu... en jij ????

Onze International President, Patti Hill, heeft een oproep gedaan om inspanningen te leveren voor ecologie en alles wat met het ecologische aspect van de planeet te maken heeft. Vorig jaar werd internationaal 330.000 € aan ecologie besteed, wat heel weinig is.

We willen allemaal meer groen, een schonere planeet, maar vooral een mooie toekomst voor onze jeugd. Hoog tijd om er iets aan te doen!

Vandaar deze uitnodiging:

Dr. Patti Hill
International President

LCIF geeft om het milieu... en jij ????

Wandelen, lopen, fietsen, ...
Organiseer met jouw zone een sportieve activiteit en kies voor het milieu!

LCIF zet zich in voor:

- Recycling van afval tot duurzame goederen
- Water zuiveren zodat het drinkbaar wordt
- Reinigen van openbare ruimtes
- Bomen planten

Nodig alle leden van je zone en hun familie en vrienden uit en maak er een ludiek evenement van!

Vraag iedereen om een bijdrage (bijv. €10 voor volwassenen en €5 voor kinderen) en doe mee aan deze nationale uitdaging.

De winnende zone (op basis van het ingezamelde bedrag of de creativiteit van de organisatie) wordt op 1 juni geëerd tijdens de **nationale conventie** en LCIF-dag.

Alle ingezamelde fondsen moeten **vóór 27 mei** middernacht worden overgemaakt op rekening van Lions België:
BE 35 3100 9846 9537 met vermelding "LCIF district C + zone 31 + naam/club (+nummer) + **Environment**"

Lions Clubs International
FOUNDATION

Dit is een unieke gelegenheid om met uw club / uw zone een activiteit voor het milieu te organiseren in de lente.

Praat erover, en doe mee!
